

Eco-Friendly Holiday Trees -

You will need:

- Pleated paper candy cups
- Twigs or florist stakes
- Scraps of ribbon or construction paper
- Small rocks, jelly beans, or marbles
- Glue
- Scissors

Directions:

- Fill candy cups with rocks, jelly beans or marbles. Be creative! You can use anything that will make the twig stand up in the middle.
- Set the twig inside the candy cups so that it is upright
- Cut skinny strips of construction paper or ribbon at graduated lengths and curl with scissors
- Glue one end of each strip to the twig, starting with shorter lengths at the top and longer lengths at the bottom
